## ANTIOCH'S INCOME OVER \$17,000.00 STATEMENT SHOWS

### Treasurer's Report Sets Cost of Government at \$13,031.09

The cost of village government in Antioch, exclusive of special assessment accounts, totalled \$13,031.09 for the fiscal year just closed, it is revealed in the statement of Village Treasurer Russell Barnstable. The complete statement for the year appears on pages 6 and 7 of this edition of the News.

The statement indicates that there was a total income from tax receipts and services rendered by the village of \$17,165.79, not including the amounts paid in as special assessments. Added to this were the balances in the various departments carried over from the previous year, totalling \$7,964.53, making a grand total of \$25,130.32 available to the village for operating expenses and for carrying on permanent improvements.

Improvements cost \$4,294.49. Disbursements of every nature amounted to \$22,151.36, however, \$9,120.27 of this sum is not included as operating expenses. One hundred dollars listed as a disbursement from the general fund was merely a transfer of the money to another fund; \$2025.00 from the Water Department was invested in U. S. Postal Savings bonds; \$925.00 was spent for a new truck; \$1,775.78 was used to retire bonds and interest in the Public Benefit and Bond and Interest accounts; and \$4,294.49 was expended for new construction, consisting mainly of improvements of Harden and Spafford streets and Orchard street.

As usual, the Water Department was by far the best earner of all the departments. This department receives no tax funds, but more than pays its way. Water rental receipts for the year were \$4,265.38, and there was added income through the sale of meters, deposits and service bringing the total up to \$4,361.27.

In addition to taxes received for its support, the fire department earned \$1,392.00 for its services to the district and rental of equipment. The department owns \$1,425.00 in Postal Savings bonds.

The Motor Fuel Gasoline Tax Fund, used for new construction exclusively, spent \$4,294.49, taken from balance at the opening of the year and the addition of \$557.76 added during the current year for a total of \$4,852.25.

The department closed the year with a balance of \$290.00 and recently an additional \$1,000 has been made available by the state for use in constructing approved projects.

There are 12 active special assessment accounts, according to the report, two of which ended the year with small deficits.

### Antioch Future Farmers Place Third in District

The Antioch chapter, Future Farmers of America, rates third in activity in northeastern Illinois, according to a score card adopted by the Future Farmers association. Twenty-eight schools were considered in the ratings. Sugar Grove ranked first, Hinkley second and Harvard fourth. A large Future Farmers pennant was awarded to the Antioch chapter as holder of third place.

According to C. L. Kutil, vocational agriculture instructor at Antioch High school, participation in co-operative marketing, conservation, judging contests, social recreation, thrift and banking helped to win Antioch its ranking over the 25 chapters that placed below it.

### Libertyville High Has Graduating Class of 88

Certificates of graduation were conferred on 88 Libertyville High school students at commencement exercises held Friday evening.

### Take Bids on Road Gap Near Fox Lake

A half-mile gap in the concrete pavement northeast of Fox Lake, on Route 59, is among the highway projects on which the state will take bids Friday.

Ernest E. Kline, Wauconda, has filed a suit for \$10,000 damages against Milton Ekstrand, also of Wauconda, for injuries received from the accidental discharge of a gun November 1, 1938.

### Sons of Legion Drum Corps Parades at Hines Hospital

The Antioch Sons of the American Legion drum and bugle corps, led by William Phillips as drum major, won praise from Col. Hugh Scott, commander of Hines hospital, for the fine showing it made Sunday in the parade put on for the disabled veterans there.

The entire corps of about 45 members, including two girl drum majors, Carol Waters and Jeanette Whited, made the trip, in a truck driven by Michael Whited.

Otto Klass, adviser to the corps; Warren Edwards, commander of the Antioch American Legion post, and Clarence White, adjutant, accompanied the corps.

About 35 senior and junior drum corps from the Chicago district were present to take part in the parade, held in honor of "Flag Day," which was on June 14.

The Antioch cavalcade left for the hospital at about 11:30. The parade was at 1:30 and was followed with a tour of the hospital.

## ANTIOCH LIONS ELECT OFFICERS FOR COMING YEAR

### Dr. D. N. Deering Chosen President; Wagner Secretary

Elevated from the position of first vice president to that of president, Dr. David N. Deering will serve as head of the Antioch Lions club for the coming year. Other officers chosen Monday night at the dinner meeting of the club at Shady Nook Inn were Robert C. Aht, 1st vice president; George Joedike, 2nd vice; H. B. Gaston, 3rd vice; George Wagner, secretary and treasurer; Robt. E. Mann, lion tamer; and Adolph Kucera, taitwister. New directors chosen include Frank Powles, this year's secretary, and Ed F. Vos, past president, who will serve with O. E. Hachmeister and James Horan on the board which also includes the other officers: Irving B. Elms and W. A. Rosing are the retiring directors.

There were no dissenting votes in the selection of officers as recommended by the nominating committee. Officers of the club serve for one year and one half of the directors for two years. The Lions International recommends change in the personnel each year.

**Outline Program**  
In addition to maintaining the free parking lot on Main street just south of the post office building, this year, and assisting with the prize fish program in co-operation with resort owners and the Chicago Evening American, the club directors will meet within the next few days to outline a comprehensive program that is expected to prove of benefit to the entire region. In connection with the prize fish planting event to be staged here Sunday and the regional advertising program, the Club has contributed funds that were not used last year.

**Plan Festival**  
Ed Vos, serving as president of the club the first year, had the able services of Dr. Deering as secretary, and the pair were the "Spark-plugs" that got the organization off to a good start in community service. During the past year, Pres. Walter I. Scott and Secretary Frank Powles headed the group with outstanding success, carrying on the projects with credit to themselves and to the club.

Preliminary plans are well under way for the holding of the second annual festival here on August 11, 12 and 13, and indications are that this year's event will eclipse that of last year when over 15,000 people attended.

### "Bill" Murphy Takes Over Midget Eat Shop

The new Midget Eat shop, freshly re-decorated in blue and "peach-blow", will hold a "grand opening" Saturday under the charge of its new owner, Willard Murphy.

The Eat Shop was originally founded by Murphy, in 1934, and the business was later sold by him. During the past year it has been operated by Paul Schenitzke, from whom Murphy recently purchased it.

During the past several days it has been closed for re-modeling. The dining space was enlarged and small tables and a soda fountain were added to its facilities, in addition to the lunch counter. New linoleum in shades to harmonize with the decorative scheme has been laid to enhance the general "spic and span" effect.

Murphy was formerly manager of the Snow White ice cream parlor.

Mrs. Sarah Ross is a patient at Victory Memorial hospital.

## RICHARD J. LYONS ENTERS 1940 RACE FOR GOVERNOR

### Libertyville Man First to Make Official Entry for Nomination

Richard J. Lyons, former state representative and the Republican nominee for United States senator last year, Tuesday formally announced his candidacy for governor of Illinois in 1940.

The announcement came as a surprise to all except his closest associates, as many had expected Lyons to make a second try for the U. S. senate after the splendid showing he made last year in the face of Democratic odds against him. With Lyons a candidate for governor, the GOP race for the senatorial nomination is left wide open, with Cong. Ralph E. Church of Evanston, and former senator, Otis F. Glenn, considered the most likely candidates to run against James M. Slattery, Democratic senator, whose term of appointment by Governor Horner expires in 1941.

Lyons' platform was not revealed in his announcement, other than to state that "keeping America out of war" is the big issue. He has been a severe critic of Governor Henry Horner, for whom many Democrats have started third term talk.

**Points to Senate Campaign**  
Lyons stated his reasons for his early entry into the race in a statement issued from his home in Libertyville.

"My friends call attention to the fact that as a candidate for United States senator I campaigned this state from end to end, preaching Americanism and Republicanism. Without machine built up in this state by the funds to cope with the vast political machine built up in this state by the New Dealers, the Republican party came within sight of victory."

"A change of a few thousand votes would have elected the Republican ticket and elected me as senator."

"This is the first time since 1934 that any Republican carried downstate, and my friends and the press attribute these Republican victories in a large measure to the intensive campaign that I personally conducted. To the loyal men and women workers of every precinct in Illinois real credit is due for the 1938 victory."

**Have You Seen A Man Playing an Accordion—**

If anybody finds a man wearing a hunting cap, carrying two rifles and playing an accordion, Charles Schott and William Arnold, owners of cottages at Grass Lake, would like to know about it. Both cottages were reported burglarized during the weekend. A rifle valued at \$25 and a quantity of rope were missing at Schott's cottage; a rifle, hunting cap, and an accordion valued at \$50 from Arnold's place.

### Pet Show Planned by Recreation Association

Ribbons for the largest and smallest pets exhibited by children of the community, as well as for the most beautiful, ugliest, most unusual, youngest and oldest, and the pet which performs the best tricks will be presented at a pet show to be held on the grounds of the Antioch Grade school Friday afternoon, June 23, at 3 o'clock.

Additional awards will be made for the best-cared-for pets and the best-mannered.

Participation in the pet show is open to all youngsters who are interested, and all young folks, and adults who wish to do so may attend. It is being sponsored by the Recreation association.

### "State Farmer" Degree Granted to F. Swenson

The degree of "State Farmer" was conferred on Francis A. Swenson of Antioch at a convention held by the Future Farmers of America last week in Champaign, Ill.

Swenson, who is a junior at Antioch High school, was one of two youths in northeastern Illinois chosen for this honor. He received the recognition as a result of his high rank in scholarship and because of his interest and investments in farming.

He has ventured in beef and poultry raising and at present is the owner of two purebred Holstein heifers and several hundred chickens. His net earnings during the past year were \$800.

### WHO GAVE HIM THE SAW?

## J. C. JAMES' TO OBSERVE THEIR GOLDEN WEDDING

### Well Known Antioch Couple Will Celebrate Anniversary Sunday

Mr. and Mrs. Joseph C. James are issuing no formal invitations for the "Open house" they will hold at their home, 441 Orchard street, Sunday in observance of their fiftieth wedding anniversary, but they announce that they will be happy to have their friends call and greet them between the hours of 3 and 6 p. m.

Mr. and Mrs. James have been identified with the activities of Antioch for half a century, and Mr. James for longer than that, for he was born in Antioch township 76 years ago this coming August 8. Mrs. James, a member of one of the "old families" of Virginia, was 69 on March 25.

**Met in Kansas**

Their romance was a triumph over "time and distance," for they met at Williamsburg, Kans., when the then Laura Burks was 15 years old, were married at Salem, Va., on June 18, over three years later, and came to Antioch to live.

Mr. James had succeeded an uncle of Laura's as depot and telegraph agent at Williamsburg at the time they met.

"I had to travel all over Minnesota, Dakota, Illinois, Missouri and Kansas to find the right girl—and then I had to go to Virginia to marry her," Mr. James recalls with a smile.

The bride was the daughter of Mr. and Mrs. Hiram Burks, a descendant of a family that had lived in Virginia for more than 200 years, but, like many other southern families, had suffered financial reverses as a result of the Civil war.

Mr. James was a son of Mr. and Mrs. Joseph C. James, Sr., Antioch township pioneers.

Mr. and Mrs. James have a son, Ralph, who is living in Chicago, and a daughter, Mrs. Bertha Louise Gilbert. Mrs. Gilbert, who also lives in Chicago, is noted as the coach of many singers and actors and actresses who are being starred on the motion picture screen or the radio today. There are also three grandchildren.

**Has Been Leader**  
"J. C." as his friends call him, has played a leading part in furthering the civic progress of Antioch and the surrounding communities.

He has an impressive list of "firsts" to his credit, too.

"I helped John Burke put out the first issue of the Antioch News (founded in August, 1886—Editor's Note) on a Washington hand press," he recalls. "I put in the first Farmers' line when the telephone came in, and the first cement works."

Mr. James has been engaged in the insurance business here for 42 years. He conducted an undertaking establishment until 25 years ago. For a time he retired from many of his activities because of poor health, but found inactivity wearing, and during the past five years he has been engaged in the real estate business.

**Granted Divorce**

Mrs. Carrie Schroeder, Deep Lake, was granted a divorce from Fred Schroeder, Lake Villa, Friday. They were married in Chicago, March 26, 1919.

### Jay Graham Takes State Shooting Title

Jay R. Graham, of Ingleside, veteran trap shooter, has been announced as winner of the 1939 Illinois state professional championship in the annual tournament held recently at Chillicothe.

Graham, one of the famous Graham brothers who figured in pages of the Antioch News for more than 30 years, broke 672 of 700 targets he shot at during the entire program.

He is a former world's champion, winner of the 1912 Olympic games at Stockholm, and has held the Illinois state amateur title three times.

His son, Donald, took third place in the amateur championships this year.

## FIREMEN TO BE HOSTS AT GUEST NIGHT JUNE 26

### Co. Association and Ladies Will Be Entertained Here

The Antioch firemen will entertain the other fire departments of Lake county and guest firemen with their ladies at their annual summer party, to be held in conjunction with the monthly meeting of the Lake County Firemen's association Monday, June 26.

Visiting firemen and guests will start gathering here at 5 p. m.

At 6 o'clock refreshments will be served in the Chevrolet garage to all firemen and guests.

**Drum Corps to Play**  
A demonstration by the Antioch Sons of the American Legion Drum and Bugle corps will take place at 7:30 o'clock.

The business of the evening and talks will follow at an open meeting to be held at 8 o'clock in St. Ignatius' guild hall. Dancing, entertainment and refreshments will follow the meeting.

At 9 o'clock free street dancing will be enjoyed on Main street.

Chief James Stearns heads the general committee for the "Guest Night," which includes John L. Horan, Herman Rosing, Clarence Shultis, Walter I. Scott, John Gaa and James McMillen.

Irving Elms, chairman of the refreshments committee, Otto Klass of entertainment, Einar Peterson of the street dancing and L. D. Powles of the business meeting.

### To Dedicate New Bridge Over Fox River Sunday

The new bridge over the Fox river at Johnsburg, northeast of McHenry, will be dedicated Sunday. Providing a cut-off for motorists to the resort area on the west side of Pistakee and Grass lakes, the bridge replaces the old iron structure built in 1902.

The program, opening at 2 o'clock, will include addresses by Thomas A. Bolger, state representative; F. Lynden Smith, superintendent of public works and buildings; Carter Jenkins, chief engineer, waterworks department, and William Carroll, state's attorney. Earl R. Walsh will act as master of ceremonies. A children's parade and the "blessing of the bridge," followed by the singing of the national anthem, will open the program.

There will also be band selections and special numbers.

The Johnsburg Community club is sponsoring the program.

## PRIZE FISH TO BE RELEASED HERE SUNDAY

### "Fanny," \$200 Fish, and Others Will Be Put in Chain-o-Lakes

One of the lakes region's most thrilling events—for fishing-minded folks at least—"Oscar and Fanny Day," which will take place Sunday at Chain-o-Lakes, Antioch, is announced in a large advertisement appearing today in the Chicago American.

Sponsored by the Hub of the Lakes Region association at Antioch, the advertisement states that the third annual "prize fish" release will take place in the lakes, with "Fanny" as this year's \$200 tagged fish. Hundreds of others in the Oscar-Fanny-Perey family, with tags that carry rewards of from \$1 to \$50, are also to be released.

A flotilla of boats will carry the prize fish through the chain of lakes to the places where they are to be released Sunday.

The actual tagging of Fanny and the "lesser fry" will take place Friday at the Spring Grove hatchery. Bass fishermen will be glad to know that Fanny will be one of that species, and that the bass season officially opens in Northern Illinois on June 16. Various other species will also be represented in the tagged fish.

**Lions Cooperate**  
The Antioch Lions club, Antioch business men and resort owners are co-operating in making "Fanny Day" a success.

The program is financed by the Hub of the Lakes association, with the Lions club assisting. In addition to money raised this year for the purpose, the Lions club also put into the fund the residue of last year's fund which was not used.

Hundreds of automobiles followed last year's launching of the prize fish, and roads along the lakes through which the boats will pass are expected to be crowded by spectators this year.

**Order of "Parade"**

Leading the flotilla of scores of water-craft will be the large passenger boats donated for use for the day by Ray Pregoner and Jim Hanrahan and many others, and Lions club committeemen Dr. Deering, President W. I. Scott, Adolph Kucera and James Horan. The flotilla will be conveyed by launches of the State Department of Conservation, carrying Chief Inspector Anthony Maggio and assistant, James Lynch, also Jack Little and H. H. Beck, staff members of the Chicago Evening American, sponsors of the event. Scores of private boats will accompany the big water brigade to watch the planting of the "gold" fish in the several lakes.

The tentative program announced today calls for the starting of the ceremonies from Pregoner's Resort and Jim's Place at Grass Lake at 2:00 p. m. The following in order will be visits to Lake Killarney at 2:15; Petite, 3:00; Bluff, 3:20; Marie, 3:40; Channel, 4:10; and Lake Catherine at 4:30.

### Cottage at Cobb's Camp Is Destroyed by Fire

A cottage at Cobb's camp, Lake Marie, was completely destroyed by fire Tuesday morning. The Antioch fire department was summoned at 6:30 but the blaze had not been discovered until it had gained considerable headway, and the building could not be saved. In the event of wind, nearby buildings would also have been endangered.

The cottage had been occupied by members of a fishing party, who were out on the lake at the time the fire was noticed. Because of the completeness of the destruction, it was difficult to discover what might have been the exact cause.

The building was insured.

### Jack Riddell Receives Beloit Track Award

Jack Riddell of Antioch and Henry Smith, Woodstock, were among the Beloit college students who received freshman numeral sweaters in track at the college Monday. Vinc Klock, Libertyville, received a senior sweater and letter in "varsity" tennis.

An automobile driven by Fred Blumenhagen, Chicago, and a truck of which John Clobis, North Chicago, was the driver, collided at the intersection of Route 59A and Grass Lake road last Wednesday evening.

### Government—The Non-producer

Government is essentially a non-producer. That fact supplies the key to the riddle of "Why hasn't pump-priming by the government worked?" It hasn't worked because it has inevitably drawn more and more financial life-blood from industries and individuals, at the expense of private productive spending. It hasn't worked because it has so extended political power over industry that private capital has been discouraged and driven into hiding. It hasn't worked because it has applied so much of our resources to political, rather than economic ends.

In the past ten years, we have spent some thirty billion dollars which we have not yet earned—in addition to those other billions actually collected in taxes—in combating depression. And about all we have to show for it is the highest national debt in our history. Has business been stimulated? No—look at any of the standard indices and you will find that it is not far above the worst depression lows. Have jobs been found for the unemployed? No—according to the best surveys, unemployment today is about as great as at any time in the past.

This is the fruit of a policy which has discouraged private, productive effort on every occasion, which has penalized and reviled business, and which in certain cases has actually put the government into business as a competitor, using the unbeatable weapons of tax-subsidies and tax-freedom. Never was there so grave a lack of confidence in the future as there is today. And never was there sounder cause for that lack.

Isn't it about time we adopted a policy of aiding and encouraging business, to the end that the real productive influences of this country be utilized? Isn't it about time we made it possible for capital to go confidently to work to build and rebuild? Isn't it about time we listened to the wise counsel of those who point to the vital necessity of cooperation with and for business—instead of to the extremists with their harsh philosophies of destruction?

### Presidential Timber

Mr. Garner's announcement that he will seek the Democratic Presidential nomination next year turns a rumor into a fact.

It also serves to further emphasize the split in the ranks of the majority party. Mr. Garner has a solid following among the relatively conservative Democrats—which includes the influential Southern bloc almost 100 per cent—and he is heartily disliked by the more extreme New Dealers. He will probably go to the convention with enough votes to make it tough for any candidate he opposes.

At the same time, talk of nominating Secretary Hull, as a sort of a compromise candidate, grows. Many feel Mr. Hull would be the strongest candidate the Democrats could put in the field.

## TRUTH about ADVERTISING

By CHARLES B. ROTH

### WHAT ABOUT PRICE?

"A WOMAN," once remarked the famed Hoosier humorist Abe Martin, "will buy anything she thinks the store is losing money on."

That was merely a funnyman's way of saying that in all our buying price is a most important consideration—the one thing with which we are concerned every time we spend a cent.

Now what really constitutes price and how are prices established? Without getting too deep into economic principles, we know that prices are established by what is called the law of supply and demand.

This law teaches us that when the demand for anything exceeds the supply, prices go up. Conversely, when supply is plentiful but demand is light, prices go down. But how can we as customers know that this law won't be tampered with and men, shrewd, scheming and selfish, step in and raise prices and gouge us by making us pay them? They could, you know, and we would not be any the wiser.

Our safeguard against this is the advertising we see in the newspapers. That protects us. Under our competitive system of buying and selling, one merchant vies with another merchant for our trade. Each

comes out publicly in the newspapers with his price. We consult these prices before we buy.

Seen in this light, advertising becomes the informant that prevents dishonest sellers from taking advantage of us and our ignorance of prices we might have to pay.

A recent mystery drama has the villain contriving to plunge the city into complete darkness for one night, so that he and his henchmen can dash in and make away with their loot. "We who have something dastardly to put over," he observed, "must needs fear the light."

High prices, skimpy quality, gyp products also must needs fear the light. That is why they are cloaked in such phrases as: "We don't advertise. We pass the savings along to you." "Why pay the high cost of advertising? We put it into our goods," etc., etc.

But the merchant who advertises uses the light of advertising, and asks you to compare his goods and his prices and to find out before you buy. You can always pay his price, because it is the right price. That you know because the protective power of advertising has told you that it is.

And this protective power of advertising is working for you every time you unfold your newspaper and read an advertisement. That black print on white represents a buying guide which is worth several hundred dollars a year to you and your family.

Ben Cribb was in Waukegan Saturday to see his brother, Harold Cribb,

who is in the hospital for mastoid treatment and is improving.

Mr. and Mrs. Raymond Sherwood who spend their winters in Florida, have come to spend the summer with their son, Clare, and family.

Mr. and Mrs. Carl Wallner have returned from their wedding trip into Wisconsin and are at home to their friends at the Al Boehm home.

Mr. and Mrs. G. Earl Miller entertained a group of friends from the Common Brick Manufacturers' association of Chicago of which Mr. Miller is secretary-manager, at their home on Monday of last week.

Miss Dorothy Meyer, a bride of last Saturday, was honored at a party at her home last Thursday afternoon and received many nice gifts.

Kathleen Gindich celebrated her birthday last Saturday afternoon with a party for her schoolmates at her home.

Rosemary Slazes was one of a large confirmation class at St. Peter's church

at Antioch on Tuesday afternoon this week.

Mrs. Stella Pedersen entertained a few ladies at luncheon last Friday.

**Cave of Basalt Formation**  
Fingal's cave is a remarkable cave of basalt formation on Staffa, a small island off the central western coast of Scotland. The cave extends from the shore a distance of 227 feet within a rocky height and has an arch 60 feet high. The color effects of the columnar basalt formation are striking and the action of the wind and waves produces weird sounds in the opening.

# SOCIETY NOTES

## Marriage of Wilma Musch is Announced

Mr. and Mrs. William Musch of Antioch announce the marriage of their daughter, Wilma, to Donald E. Gibbs of Richmond at a quiet ceremony which took place Sunday, June 4, in the Methodist parsonage at Woodstock.

The Rev. J. R. Drees officiated, and Mr. and Mrs. Maynard Hogan of Antioch attended the couple as best man and matron of honor.

The former Miss Musch is a graduate of Antioch Township High school.

Mr. Gibbs is the son of Mr. and Mrs. Robert Gibbs of Richmond.

The young couple plan to make their home in Waukegan, where Mr. Gibbs is manager of an Atlantic and Pacific Tea company store.

## Lois Tschappat of Grayslake Is Bride

Of interest to Antioch friends of the bride is word that the marriage of Miss Lois Jean Tschappat to Palmer Clark on June 4 has been announced by her parents, Mr. and Mrs. Walter F. Tschappat of Grayslake.

Mr. and Mrs. Clark plan to make their home in Chicago.

The bride was a winner of the 1938 Chicagoland Music festival and has sung on programs in Antioch and neighboring communities. Mr. Clark is a radio advertising representative and is also a composer and arranger of music.

The former Miss Tschappat is to sing at the third festival luncheon to be held August 18 in the grand ballroom of the Stevens hotel.

## LADIES OF ST. PETER'S PLAN DESSERT-LUNCHEON

Mrs. John Doyle is chairman of the committee for a dessert-luncheon, Public Service demonstration and card party to be held in St. Peter's hall, Antioch, the afternoon of Tuesday, June 27. The luncheon will be served at 1 o'clock.

Tickets for the event, for which a 25 cent charge is being made, are available at the MariAnne Dress shop in Antioch.

The party is being sponsored by the ladies of St. Peter's parish. Prize awards are being arranged by the members of Mrs. Doyle's committee.

## REV. AND MRS. SIMS VISIT FRIENDS HERE

The Rev. and Mrs. Rex Sims and sons, Kent and Rex, Jr., of Dixon, Wyo., were the guests of Mrs. Sims' sister, Miss Aileen Wilson, and of Mr. and Mrs. Walter Scott and other friends for the past week.

Rev. Sims was rector of St. Ignace's church here for several years.

## Dorothy Meyer Wed Saturday at Lake Villa

Peonies and red roses made a pretty background for the bridal party at the wedding of Miss Dorothy Meyer, daughter of Mr. and Mrs. John Meyer, and Vern Sharp, Rochester, Wis., Saturday evening in the Meyer home at Lake Villa.

The Rev. I. B. Allen officiated in the presence of immediate relatives of the couple and a few intimate friends. White chiffon formed the bride's gown. Her net veil was of shoulder-length, and she carried white carnations and snapdragons.

Mrs. Charlotte Wagner, who attended her sister as matron of honor, wore flowered net over pale yellow silk and carried pink snapdragons and carnations. Michael Bigelow, cousin of the bridegroom, was best man.

A wedding supper was served at the Meyer home after the ceremony.

The bride is a graduate of Antioch High school and for the past two years has been employed as secretary-librarian in the Lake Villa Elementary school. Mr. Sharp, who made his home with his grandmother, Mrs. Mary Sharp, attended the Burlington High school and is now employed at the Burlington mills.

Mr. and Mrs. Sharp will be at home to their friends in Rochester after their return from a 10-day vacation at the Dells on the Wisconsin river and a tour of northern Wisconsin.

## O. E. S. OFFICERS' CLUB WILL SPONSOR MOVIE

Bette Davis' picture, "Dark Victory," will be sponsored by the Officers' club of the Antioch Eastern Star chapter Tuesday and Wednesday, June 20-21, at the Antioch theatre. Mrs. John Gaa is president of the Officers' club and Mrs. O. E. Hachmeister is secretary.

Mrs. John Gaa acted as matron for the "Friends Night" program held by the Millburn Eastern Star last evening. Grace Drom was chaplain, Martha Hunter conductress and Sophie Hennings, Esther. About 20 members and officers from the Antioch chapter attended.

Arthur Rosenfeldt acted as associate patron for a meeting of the Richmond Eastern Star chapter which he attended Monday evening in company with Mrs. Rosenfeldt and Mrs. Elmer Hunter.

Mrs. William Anderson, Mrs. Sidney Kaiser, Mrs. Robert Wilton and Mrs. Lena Grube were guests of the Lake Forest chapter, Order of Eastern Star, at a "Friends Night" meeting Monday. Mrs. Anderson served as associate matron for the hostess chapter.

Otto Klass made a business trip to Elkhorn, Wis., Wednesday.

## Personals

Mr. and Mrs. Frank R. King, of Tucson, Ariz., have been visiting their son and daughter-in-law, Mr. and Mrs. Robert King and their many friends here. They arrived from Tucson Tuesday and will leave the latter part of the week for Vermont, where they will visit a daughter. Their son, Ray, who accompanied them, will spend the summer here.

Have you tried Bird's Eye Frosted Foods? R. E. Mann.

Mr. and Mrs. H. P. Carey plan to return Monday to Dallas, Tex., after a three weeks' visit here with Mrs. Carey's parents, Mr. and Mrs. H. A. Radtke. They also visited Mrs. Carey's sister, Mrs. R. P. Cavanaugh, in Kenosha. Mrs. Cavanaugh, who is an enthusiastic horsewoman, exhibited her show horse, "Little Mischief," in the third annual June horse show sponsored by the Lake Shore Saddle and Bridle association, Wednesday evening in Kenosha.

Act now—window shades, linoleum, Venetian blinds, wallpaper, paints drastically reduced during June. Pitts Paint Store, 2232 Roosevelt road, Kenosha, phone 4632.

## Christian Science Seen as Aid to World Peace

### Annual Meeting Is Held in Boston, Mass.; Church Reports Progress

Thousands of Christian Scientists, meeting at Boston, Mass., June 5, challenged a troubled world to change its perspective from a material to a spiritual basis in its search for release from pressing economic and political problems.

The occasion for the great influx of the followers of Mary Baker Eddy was the annual meeting of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. Through the entire round of addresses and reports from the field, the power of the Christ, Truth, to lift individuals above the ills of human sense was acknowledged and this same spiritual power was recommended for the healing of the nations and the establishment of a permanent world peace.

Church Progress Reported  
Various reports heard cited specific instances of spiritual enlightenment actively at work among the nations today. One revealed that Europe, seething center of turbulent po-

GEORGE SHAW COOK  
Incoming President of The First Church of Christ, Scientist, in Boston, Massachusetts.

litical upheavals, is also a fertile field for spiritual growth, indicated in the formation of 21 new branch church organizations abroad, 12 of them being in England.

Similar progress was reported in North America where 25 new branch organizations were launched. Africa and Australia, it was stated, have formed one new organization each, while 32 societies were found raising their status to that of churches during the last 12 months. In educational fields, nine new university organizations became recognized units of the Christian Science movement.

Announcement of new officers constituted the main business of the meeting. George Shaw Cook, C. S. B., of Brookline, Mass., was named President for the ensuing year to succeed Ralph H. Knapp of Needham. Edward L. Ripley of Brookline and Ezra W. Palmer of Marshfield were re-elected Treasurer and Clerk, respectively. The President is elected by The Christian Science Board of Directors for a one-year term, his chief duty being to serve as presiding officer at the Annual Meeting.

Mr. Cook is a native of Iowa, moving to Chicago at an early age where he received his public school education.

As incoming President, Mr. Cook directed attention to the place that Mary Baker Eddy holds in the movement as Discoverer and Founder of Christian Science. Genuine appreciation of the revelation of Christian Science, he said, can come only through a proper appreciation of the Revealer.

Growth of Membership  
Analyzing what Christian Science means to Mother Church members, Mr. Palmer, in the Clerk's report, pointed out that "Christian Scientists follow their Leader when they obey the Manual of The Mother Church, uphold The Mother Church and its branches, and heal the sick by prayer. The Bible and Mrs. Eddy's writings contain the primal and ultimate facts of being, which heal ills, and usher into human consciousness the fullness of salvation."

Removal of restrictions on the free practice of Christian Science in Texas, was cited by Mr. Norwood as a notable legislative victory of the last year.

Mrs. Inez Ames left Sunday for Glasgow, Mont., where her brother, G. R. Jamieson, is very ill.

Mrs. George Behler and son, Glenn, and Mrs. H. E. Shepard and children of Woodstock spent Friday in Antioch.

England's Wall Street  
The City of London, ruled over by the Lord Mayor, is England's Wall Street and newspaper row. Over this small district rules the Lord Mayor, whose show each fall is one of the greatest sights of London. He must be a man of wealth, for his salary does not begin to cover the expenses of his office. There is a lot of satisfaction in his job just the same, for he it is who must give the king of England permission to rule this small domain.

## Yesterdays

46 YEARS AGO  
In the Antioch News Files  
June 22, 1893

Chase Webb is home on a visit and will take in the World's Fair before returning to Crystal Falls, Mich., where he is now employed.

C. A. Neumeister has purchased the interest of his partner, Mr. Goodman, in the Efinger hotel, Lake Marie, which has fittingly been styled the Saratoga of the West.

A column entitled "Poets of the Day," includes verses beginning, "Now from the elm to oriole flies Like a tossed ribbon through the air."

Written by Joel Benton, and another work in which is the stanza, "If 'mid the gathering storms of doubt Our hearts grow faint and cold, The strength we cannot live without Thy love will not withhold."

—by Oliver Wendell Holmes.

30 YEARS AGO  
June 17, 1909

One hundred Fort Sheridan soldiers threatened to mob the city jail when one of their number was arrested for creating a disturbance.

Miss Nellie Hawkins, daughter of Mr. and Mrs. O. E. Hawkins, became the bride of Norman Burnett, Lake Villa, Wednesday in Chicago. Miss Lucy Trotter, Evanston, and Clarence Bonner, Millburn, were united in marriage Tuesday evening at the home of Mr. and Mrs. A. K. Bain, Millburn.

The Antioch Stars defeated the Round Lake Maroons 9-1 in a baseball game at the Antioch ball park Sunday. B. Van Patten and E. Boulden batted for the home team.

15 YEARS AGO  
June 19, 1924

Edward Eggleston's "Hoosier Schoolmaster" will be at the New Crystal theater Sunday with Henry Hull and Jane Thomas as stars. Coming attractions include "No Mother to Guide Her."

Close on the heels of the sensational million dollar train robber at Rondout Thursday night came a daring \$35,000 jewel robbery Monday noon between Lake Forest and Highwood. The robbers drove away in a big black Hudson car and headed toward Antioch.

Saturday evening the new Channel Lake pavilion, one of the biggest dance halls in the state, will open its doors. It has a dancing space of 6,000 feet. The entire floor space of the pavilion is 27,000 feet.

## HICKORY

Miss Dorothy Russell of Winthrop Harbor is staying at the John Crawford home for a while.

Mr. and Mrs. Will Thompson and Helen visited Dr. and Mrs. P. P. M. Jorgensen and daughter at their home in Kenosha Friday evening.

Mr. and Mrs. Chris Petersen and daughter from Chicago visited the Nels Nielsen family Sunday afternoon and were supper guests.

Harrie Tillotson was a Kenosha caller Monday morning of this week. Several families from here attended the Children's Day exercises at Millburn church last Sunday morning.

John Crawford and Earl were Zion callers Saturday afternoon.

Mr. and Mrs. Ed Cook visited Mr. and Mrs. Chris Cook and family Wednesday evening.

Mr. and Mrs. Ralph Fields took their aunt, Mrs. Sarah Roth, of Manitowoc, Wis., to the Victory Memorial hospital in Waukegan on Monday of this week. Mrs. Roth suffered a heart attack Saturday while visiting her sister-in-law, Mrs. Adam Dibble, in Antioch.

Mr. and Mrs. Will Thompson and Helen were visitors at the George Thompson home in Zion Sunday evening.

## The Observer

We see by the papers that down in Omaha, Neb., Dr. and Mrs. A. P. Overgaard and Mr. and Mrs. Ralph Russell have just wound up a bridge game that lasted eight years. It seems the game was started in 1931 and continued every Monday evening. Dr. Overgaard was top scorer with 1,456,280 points. What interests us about it isn't so much the idea that (at least so they say) none of the players ever trumped their partner's ace in all that time, but the fact that they were still willing to go on playing bridge after putting in eight years at it. Circumstances were what interfered. The Overgaards are moving to Texas—while they are still on the winning side, we suppose.

Jobs for young folks getting out of school seem to be just a shade less

scarce than they have usually been of late years. If that is so, it is cause for rejoicing, for there is only one thing more discouraging than to know that with the strength and ability to work, there is no place for you. The other is, to be old, without the strength or ability to work—and to know there is no place for you.

The Indian tribes who once built their humble homes along the lake and river banks of this region are gone; the forests and prairies that delighted the early settlers have given way to cultivated fields and little groves; the put-out of the outboard motor has replaced the silent gliding canoe; but one lovely survivor of the earlier days still brightens the June roadsides—the wild rose, nestling pinkly along grassy green banks, of which the passing motorist catches only a fleeting glimpse as he speeds by on the concrete, intent on out-distancing other drivers.

Once the Stone Mountains  
The Rocky mountains once were known as the Stone mountains.
